We offer an exciting range of size, shape, texture & vanities of colors to choose from. It is the quality of our product that makes us so distinct and unique in the flooring world. We are proud to claim that we offer the best quality in Décor woods all over the vast Indian market. It's an elegant piece of craftsmanship, blended aesthetically to offer a generous work area and an elegant living environment

Making every moment of your life a statement of true class.

NKG WOOD

A Beautiful Floor can be Created Quickly

NKG-Eurowood Flooring can be used to decorate and give a distinctive feel and finish to the entire House, Showroom, Gym, Club, Auditorium, Theater, Hotel Room, Restaurant, etc. except rooms where the level of moisture remains extremely high such as bathrooms or saunas.

HYGIENIC

The number of cases of allergies in children and adults is on the rise. Many such problems can be avoided by reducing the build-up of dust in the floor covering. You can achieve this by installing wooden flooring that is natural, easy to clean and maintain.

SOPHISTICATED

NKG-Eurowood flooring has a sophisticated tongue and groove system on the wooden panels that keeps them perfectly straight and evenly fitted once installed.

RENOVATIONS

Imagine how easy it would be if when renovating your premises, you do not have to remove existing floors or floor coverings. NKG-Eurowood flooring can be easily installed on top of most existing surface like stone, floors etc.

LOW MAINTENANCE

NKG-Eurowood floors simply need to be vacuumed, swept or mopped with a nicely wrung cloth. Avoid using too much water.

Sit back and relax because there is so little to do in the way of cleaning.

NATURAL FLOORING

Real hardwood flooring lets the warmth and distinctive beauty and grain of timber shine through. It provides a comfortable feeling to bare feet even in extreme weather and matches the textures and colour schemes of all surfaces.

Resistant to household chemicals

CONNECT FLOORING

Wooden flooring is particularly suited to showrooms and commercial rooms establishments as it gives a rich feel to all interiors and is appreciated by all customer / clients.
